

Dear NorCal Imaging Oakland Team,

My wife and I are considering your Oakland location for breast cancer screening. Before scheduling, I'd like to confirm which of the following services are available at your Oakland location:

1. 3D mammography (tomosynthesis)
2. DeepHealth AI (EBCD) enhanced mammogram interpretation
3. Dedicated contrast-enhanced breast MRI with gadolinium contrast
4. Contrast-Enhanced Mammography (CEM)
5. On-site breast biopsy

If any of these are not available at Oakland, could you let me know which RadNet NorCal location nearest to Oakland offers them?

I'd also like to know the cash-pay price for each service that you do offer.

The best way to reach me is by email at radnet.82uvo@simplelogin.com, or by mail at:

Spencer Scheffy
1135 Francisco St, Apt #2
San Francisco, CA 94109

Thank you for your time.
